What is your connection or interest in this case?

I have been a Duke Energy customer for several decades, living through rate hike after rate hike.

Please give a concise statement of your protest

I oppose Duke Energy's rate hike. As the Huffington Post reported:
"The Democratic National Committee will not have to repay the full \$10 million line of credit from Duke Energy -- the country's largest electric power company -- used to fund the 2012 Democratic National Convention, contradicting the committee's self-imposed prohibition on corporate funding for the Charlotte-based event."

Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony?

No, but thank you.
